

2017 Sponsorship Opportunities

National Association of
Disability Practitioners

Lynn Wilson

OPERATIONS MANAGER

NATIONAL ASSOCIATION OF DISABILITY PRACTITIONERS LTD

National Association of Disability Practitioners

Do you want to engage with professionals working in the tertiary education sector who are involved with the management or delivery of services for disabled students?

Sponsorship Schemes

The NADP aims to promote excellence in the quality and consistency of educational support services provided for disabled students. We work to improve the professional development and status of disability staff through peer support, education, communication and leadership.

To promote these aims NADP has representation on a range of advisory committees and Government bodies; runs an accreditation scheme; publishes a peer-reviewed journal and enables peer support. NADP also organises well-attended events for training and networking

We aim to maximise the return on your sponsorship investment by associating your name with critical thinking and high-quality debate in the months before, during and after the event.

Opportunities

We offer a wide range of opportunities for you to promote your organisation at our events including:

- Affiliation to NADP
- Headline sponsorship
- Gala dinner sponsorship
- Exhibition stands
- Delegate materials such as bags and lanyards
- Leaflets for the delegates

Events

We run one-off trainings and annual events which include:

- Twice yearly day conferences held in London and at least one other location around the country – Spring and Autumn
- Annual two day conference held in the Midlands
- An international three day conference held every three years

Please contact Lynn Wilson, Operations Manager, for more information
