Giveaway

Attendees will be encouraged to collect a sticker from each of the stallholders over the course of the event to encourage engagement. Those with a full collection of stickers by the end of conference will be entered into the end of conference giveaway, which stall holders/sponsors have the option to donate a prize for. Those who donated prizes will select their winner at random. Previous prizes donated have included: a laptop for a student in need, Amazon vouchers, and training courses.

Virtual Duck Race

2026 Duck Race Sponsor Branding

NADP holds a fun free 3-week virtual duck race throughout the lead up to the conference for the chance to win a £30 Amazon gift voucher. This creates a branding opportunity as Sponsors' logos are designed into the background.

NADP post fun updates on the race on social media and emails including screenshots of the race.

Awards

Platinum Sponsors will have their logo printed on one of our awards. They will also have the option to present the award and address all delegates during the awards ceremony at the evening gala dinner.

More information on NADP awards can be found on our website.
